

# VISION

A healthy, diverse and inclusive community for all.

SOMERSET WEST  
COMMUNITY  
HEALTH  
CENTRE

# MISSION

To support people and communities to enjoy the best possible health and well-being.

# BELIEFS

We are all connected and everyone matters

Diversity makes our community stronger

Health is a state of physical, mental, social and spiritual well-being

Working in partnerships makes our impact more powerful

Health equity is key to inclusive, healthy communities

# ASPIRATIONS

## PEOPLE-CENTRED

We empower people to improve their health, the community and society.

We build capacity in our community and clients.

We remove barriers to accessing services for people who are marginalized.

We meaningfully engage our clients, communities in shaping our services.

## EQUITY AND ADVOCACY

Our voices and actions speak to social justice, human rights and health equity.

We are inclusive and confront discrimination and racism.

We are diversified in governance, staff and service delivery.

We collaborate to address the social determinants of health.

## HEALTHY WORK ENVIRONMENT

We enjoy a safe, professional and trusting work culture.

We invest in staff capacity and skills-building.

We innovate and continuously learn together.

We are a collaborative team.

## ORGANIZATIONAL SUSTAINABILITY

We will thrive as a Community Health Centre in a changing environment.

We are conscientious fiscal stewards.

We demonstrate resourcefulness and effectiveness and tell our stories.

We adapt and seize opportunities.

# TOGETHER, TOWARDS COMMON GOALS

## STRATEGIC PLAN 2017-2022
